## Paving the Future Scholarship: A Richard J Schreck Legacy Scholarship

The Paving the Future Scholarship is a Richard J Schreck Legacy Scholarship named in honor of VAA's retired Executive Vice President of 36 years. Richard was instrumental in developing the scholarship program, and we are proud to award these scholarships in his name. The Paving the Future Scholarship was established to assist dependents of VAA member companies in furthering their education beyond high school. This program is managed under the auspices of the NAPA Research and Education Foundation (NAPAREF) Scholarship Program, a 501(c)3 organization. Only dependents/spouses/employees of VAA member companies are eligible to apply. Eligibility includes all incoming freshmen and first-year attendees at post-high school institutions (i.e., trade schools, colleges, universities). Also, those students currently enrolled in post-high school institutions may apply. \$5,000 Scholarships are awarded annually. The number of scholarships awarded depends on the total contribution amount. Awards are presented to the winners in the summer of each year.

### **Donation Process**

VAA Members are encouraged to make donations at the beginning of the calendar year. Recommended individual donation amounts are \$500, \$1,000 and \$2500 or greater; however, no amount is too small. Donation levels have also been set for individuals and/or companies wishing to give.

- ✓ **Doctorate Level:** \$5,000 or greater
- ✓ **Masters Level:** \$2500 - \$4999
- ✓ **Bachelor Level:** \$1000 - \$2499

- ✓ **Checks must be made payable to NAPAREF to be tax deductible.**
