

Discussion With The Department

October 14, 2020

7:00 AM - 8:00 AM Registration

8:00 AM - 9:00 AM VAA Members Only Meeting

9:00 AM - 1:00 PM Discussion (lunch provided)

Join VAA as We Host a Discussion with VDOT's Senior Leadership

VDOT is the single largest customer for the asphalt industry. More than four million tons of mix per year is provided for use on VDOT projects or to VDOT directly. Beyond this tonnage, VDOT specifications and guidelines impact most of the non-VDOT tonnage produced in the state. With VDOT having such a big impact, both directly and indirectly, it is important that companies understand what VDOT wants and VDOT understands what companies can provide. Through formal and informal meetings, this exchange of information can strengthen the partnership between each entity.

On the morning of **October 14**, VDOT Senior Leadership will meet with VAA Members from **9:00 am to 1:00 pm** at the **Hilton Hotel Richmond Downtown**.

A combination of formal presentations and a "Board Plus" format will be used to facilitate casual and open dialogue. For those not familiar with this format, it simply means the room will be set up like a board of directors meeting with VDOT's Senior Leadership at the table with VAA's Board of Directors. Additional seating will be set up around the "board table" for VAA members who wish to attend. Please note, this meeting is open to all members, so we strongly encourage you to attend and participate (questions and comments are welcome from all who attend).

*****Attendance size is limited to allow for proper social distancing.***

A Mask is required by the hotel in all public areas.

Registration is on a first come, first served basis. **

VAA will furnish VDOT with a list of topics (by **October 7**) that we would like them to come prepared to address. The primary focus of this meeting will be on funding for 2021 and beyond as well as strategic changes within VDOT. Additionally, we will cover technical and operational issues such as progress made during the 2020 paving season, inspection/specification issues that need to be resolved, and general relationship building. VDOT and VAA will be making formal presentations before the open dialogue time. If you have one or more topics you would like to have included; please send them to Trenton at tclark@vaasphalt.com before **Friday, September 25**.

If you are a member and would like to attend the Discussion with the Department meeting, please complete the registration attached and return to VAA.

Discussion With The Department

October 14, 2020
