

DISCUSSION WITH THE DEPARTMENT

VIRGINIA ASPHALT ASSOCIATION

THURSDAY, OCTOBER 5, 2023
KINGSMILL RESORT | WILLIAMSBURG, VA

JOIN VAA AS WE HOST A DISCUSSION WITH VDOT'S SENIOR LEADERSHIP

VDOT is the single largest customer of the asphalt industry. More than four million tons of mix per year is provided for use on VDOT projects or to VDOT directly. Beyond this tonnage, VDOT specifications and guidelines impact most of the non-VDOT tonnage produced in the state. Considering VDOT's impact, both directly and indirectly, it is important that industry understand the current and future direction of VDOT in terms of funding, planning, and metrics. Likewise, industry can inform VDOT of the consequences of these directions - both positive and negative. Through open dialogue, this exchange of information can strengthen the partnership between each entity.

On October 5th, VDOT Senior Leadership and FHWA Virginia Division Leadership will meet with VAA Members from 9:00 am to 4:00 pm at Kingsmill Resort in Williamsburg, VA to discuss transportation in Virginia.

A combination of presentations and open discussion will be used to facilitate casual and open dialogue. Please note- this meeting is open to all members, so we strongly encourage you to attend and participate (questions and comments are welcome from all who attend). A copy of all presentations will be made available to members following the meeting.

The 2023 Discussion With The Department will focus on three areas - future funding and how paving projects are selected, the impact of the federal program on Virginia, and open dialogue and conversation among attendees. New this year is the announcement of the 2022 Virginia's Best and VDOT Paving Awards. Winners in each category will be recognized and presented with their awards during lunch. The winner of the Golden Lute Award will be announced at the Mid-Atlantic Asphalt Expo & Conference in December. As was done last year, VDOT will be presented their trophies for the Perpetual Pavement: by Design and by Performance awards given by APA.

If you are a member and would like to attend the Discussion with the Department meeting, please register online. Your registration includes breakfast, a morning break and lunch.
